

## Under Oaks Chenin Blanc 2010

---

### Michelangelo and Veritas Awards Silver Medal

The Under Oaks Chenin Blanc is a well balanced, full flavoured wine and displays hints of guava and tropical fruit salad on the nose and palate. It is very soft on the palate and pleasurable drink.

The Under Oaks Sauvignon Blanc is a superb wine for drinking on its own on a nice warm summer afternoon or it can be perfectly partnered with salads, plainly grilled fish / chicken, and prawn bryani.
