

Signal Hill Pinot Noir 1999 (Barrel Fermented)

A real success for the first 900 bottles produced. The velvety side of the Pinot is well combined with the fruit and the wood tannins.

variety : Pinot Noir | Pinot Noir

winery : Signal Hill Wines

winemaker : Jean-Vincent Ridon

wine of origin :

analysis : alc : 13.0 % vol rs : 1.8 g/l pH : 3.7 ta : 6.2 g/l

ageing : 3 to 5 years

in the cellar : The only small barrels fermented Pinot Noir produced according to the ancient French method. The must is fermented in open small oak barrels, with one head removed. At pressing, the head is put back in place, and the wine is underdoing malo in the same barrel. The result is a great complexity of the middle palate, with a great protection of the fruit.
