

Rudera Syrah 2006

Deep, intense ruby with a violet rim. Savoury black olive with hints of pepper and spice. Red fruit on the nose. Seductively smokey but elegant with soft tannins and wet forest floor flavours culminating in a lingering aftertaste.

 - John Platter South African Wines Guide 2009 rated the 2005 vintage **** stars.
 - The Platter's South African Wines Guide 2010 rated the Syrah 2006 vintage ****(*) stars.
-

ageing :

Drinking exceptionally well now and will reward two to six years in bottle.

in the vineyard :

Grapes were sourced from two different vineyards; one on Koffieklip in Koelenhof (planted in 1994), and the second a vineyard on shale, in Faure (planted in 1997), all in the Stellenbosch appellation. All these vineyards are trellised on a four-wire perold system. Drip irrigation is available to combine canopy management with stress management.

about the harvest:

Handpicked grapes were brought in late in February at 24,6° B . The pH was 3.2 with a titratable acid of 7,4 g/l.

in the cellar :

Sorting was done in the vineyard, followed by bunch selection in the cellar before crush. Total production was 6,4 tons per hectare (43hl/ha).
