pack : Bottle **closure :** Cork

ageing : 8 years

in the vineyard : 2005 Vintage

According to Charles Hopkins, De Grendel's winemaker, 2005 is renowned as one of the top ten years for red wine in South Africa.

Vineyard

The De Grendel vineyards are situated 7 kilometers from the Atlantic Ocean, growing on slopes 200 metres above sea level. The vines are 5 - 8 years old and yield crops of 5 - 7 tons per hectare (off 2300 vines).

Soil Type

Hutton - Oak leaf

about the harvest: Only handpicked.

in the cellar : Only handpicked fruit were destalked and inoculated in an upright stainless steel tank. To ensure soft ripe tannins, the fermenting red was transferred four times over the skin cap for periods lasting 1 hour each. This method is called aerated pump over. After sufficient extraction, a pneumatic press was used to press the skins at 0.9 bar pressure. Three rackings ensured good clarity. Maturation took place in French Oak for a period of thirteen months.
