

Kleine Zalze Vineyard Selection Barrel Fermented Chardonnay 2010

A very well-balanced, medium-bodied wine with appealing dry pear, citrus and orange peel fruit flavours. With extended lees contact in the barrels, the wine shows well integrated oak with a creamy, long, fresh aftertaste.

variety : Chardonnay | 100% Chardonnay

winery : Kleine Zalze Wines

winemaker : Johan Joubert

wine of origin : Western Cape

analysis : alc : 14 % vol rs : 5.8 g/l pH : 3.12 ta : 7.0 g/l

type : White style : Off Dry body : Medium taste : Fruity wooded

pack : Bottle closure : Cork

in the vineyard : The relatively cool ripening season of 2010 provided optimal conditions for the ripening of Chardonnay fruit. Grapes were carefully selected from specific vineyards from deep, red Stellenbosch Glenrosa soils and blend with grapes from deep red Robertson Karoo soils. With their small berries and intense cultivar fruit flavours, the portion of grapes from the Stellenbosch region added to the complexity in the wine.

about the harvest: Early-morning harvesting at a sugar level of 23.5° Balling.

in the cellar : After harvesting, the grapes were left in static drainers for 6 hours to extract flavour from the skins. The fermentation process was started in stainless steel tanks after which the wine fermented in 30% new, 50% second fill and 20% third fill French oak barrels. After the alcoholic fermentation was completed, no malolactic fermentation occurred and the wine was left on the lees for 6 months. Barrel fermentation and maturation took place in 300 liter French oak tight grain barrels for an 7 month period.
