

## KWV 1973 Hanepoot Jerepigo

This wine continues to show all the Hanepoot features along with a touch of spice and mint on the nose. The palate is lively and juicy with slight caramel and malt nuances. The wine was bottled prior to the introduction of SAWIS certification and mandatory declaration of alcohol.

This wine is best enjoyed chilled at an approximate temperature of 14° C. It will have a considerable amount of precipitate and should be poured carefully to avoid stirring up the sediment at the bottom of the bottle.

**variety :** Muscat dAlexandrie | Muscat dAlexandrie

**winery :** KWV Classic Collection

**winemaker :** Unknown

**wine of origin :**

**analysis :** alc : 17.66 % vol   rs : 173.04 g/l   pH : 3.53   ta : 4.08 g/l   so2 : 27 mg/l

**pack :** Bottle   **size :** 0   **closure :** Cork

Gold - Veritas Wine Awards 2012

Silver - Old Mutual Trophy Wine Show 2012

**ageing :** Due to the long barrel aging and resulting concentration this wine will retain its current level of freshness for some time. Whilst we recommend that it be enjoyed now, it will however remain in its prime for at least another 10 – 20 years.
