Beau Joubert Sauvignon Blanc 2011

This fruit-driven, dry white wine combines crisp tropical fruit, hints of green-pepper, soft mineral undertones with a lively, yet balanced acid, to create a superb wine with a complex palate and a long lingering finish. The light green tint in the colour is symbolic of a fresh and zesty wine that drinks excellently.

This wine is extremely versatile. Compliments seafood, salads and spicy dishes, although it drinks gloriously on its own too.
