

Foot of Africa Shiraz / Viognier 2010

Deep red colour with prominent blackcurrant, spicy and red fruit flavours on the nose and a hint of honeysuckle. Touches of mulberry and rosemary on the palate are well integrated with the French oak tannins to give the wine a long, lingering dry aftertaste.

Enjoy with red meat, such as pot-roasted venison, lamb and spicy curry foods.

in the vineyard : This blend consists to 95% of chosen Shiraz grapes from vineyards in the Stellenbosch and Coastal regions. The remaining 5% of Viognier originated from the Western Cape. The Stellenbosch Shiraz grapes were grown on strong Hutton-Clovelly soils, which adds complexity to the blend, while the Coastal region Shiraz contributes spiciness and elegance.

about the harvest: The Viognier grapes were harvested and vinified separately, and blended with the Shiraz before wood maturation. The grapes were harvested between 24 – 25° B from different blocks.

in the cellar : After crushing, the grapes were cold macerated for three days before fermentation started. A combination of pump-overs and punch-downs followed to ensure optimum colour and flavour extraction from the skins. The wine matured for 12 to 16 months in third and fourth fill French oak barrels before racking.
