### in the vineyard : Background

Allesverloren, situated on the south-eastern slopes of the Kasteelberg near Riebeeck West, is the oldest estate in the Swartland Wine of Origin district and is renowned for its red wines and port.

The farm, which dates back to 1704, began producing wine exactly a century later. In 1872 Allesverloren was acquired by Daniel Francois Malan and has remained in the Malan family for five generations.

Winemaker Danie Malan and his late father, Fanie, were among the wine pioneers of the Swartland, ably demonstrating the outstanding wine growing potential of what was once considered the breadbasket of the Cape. While wheat remains the major crop in the region, increasing numbers of wine farms are established each year to take advantage of the beneficial terroir.

### Vineyard Location

Located in the Riebeeckberg ward, the trellised and drip-irrigated vines grow in a combination of Malmesbury shale and Table Mountain sandstone. Established in 1990, the vineyards yielded 12 tons per hectare.

**about the harvest:** The grapes were harvested by hand at 22.6° Balling during late February when showing prominent varietal flavours. The vineyards yielded 12 tons per hectare.

**in the cellar** : After harvest the juice fermented in open tanks at 25°C for seven days. After malolactic fermentation, the wine was aged in second and third fill French oak for 8 months.
