

Avondale Samsara Syrah 2006

Soft wood and white pepper, wild berries and fynbos arrest the nose. Samsara is full, round and undeniably grape-tasting with hints of mulberry and plum, clove and cinnamon. This wine has a spectacular balance of tannin, fruit and oak across a lengthy palate.

THE NAME

Samsara means "to flow on" and pass through the states of life and death. This evolutionary journey through eternal birth and rebirth is how life develops consciousness and fulfillment. A wine deep in character, we named our incarnate Syrah Samsara, as it represents the perpetual renewal and revitalisation of Avondale's living system.
