

## Edgebaston Cabernet Sauvignon 2008

Made to exude absolute purity of varietals character and as such display true Cabernet Sauvignon cassis and blackcurrant flavours. The wine has a fresh, minty herbaceousness backed by mocca vanilla oak. Firm structured tannins and a long finish on the palate show good ageing potential. Made with more than a nod to the classic wines of the Medoc in the Bordeaux region, showing the period of time David Finlayson spent working at world renowned Chateau Margaux.
