

## Holden Manz Cabernet Sauvignon 2010

---

Such was the popularity of this varietal that the 2008 vintage sold out in record time. Cabernet Sauvignon is ideally suited to our environment and shows off the 'terroir' to excellent effect. This wine has a deep ruby centre with a dark red edge. An intense nose filled with berry sensations on the nose which complements the magnificent fruit and extracts of peppery spice notes. Very big on the palate with rich entry of red ripe berry fruits. The middle palate is full and shows width with complexity and depth leading to a full dry finish. Wood tannins are present and balanced combining well with those of the fruit.

This stunning wine is excellent anytime, anyplace, anywhere!
