

Goats do Roam White 2011

Floral notes of peach blossom. Light apricot with pear drops on the palate. A rich palate balanced well by fruit driven freshness.

in the vineyard : The art of blending creates many of the world's greatest wines, with only a perfect blend of grape varieties making a wine of true balance. Our timeless goat icon, inspired by an ancient Mesopotamian artefact, symbolises the importance of balance and composition, the core of our winemaker's art.

In the vineyard

The fruit for this wine was mainly sourced from 8 year old vineyards from the Fairview farm on the slopes of Paarl Mountain, grown on decomposed granite soils.

about the harvest: Grapes are picked once optimal ripeness has been reached in February 2011.

in the cellar : All wines were cold fermented in stainless steel tanks. After fermentation the individual components were left on their gross lees for 3 months prior to racking, blending and bottling for early enjoyment.
