**in the vineyard** : These Shiraz vineyards are situated on the farm De Morgenzon in the Stellenboschkloof and is part of this prestigious farm's replanting program. Trellised vineyard is managed to ensure natural high acidity and full flavour concentration. The yield was 8,7 (55hl/ha) tons per hectare.

**in the cellar** : Bunch selection was done in the vineyard. The grapes were left on the skins over night, and lightly pressed. After settling the juice was racked and inoculated with VIN13. Fermentation took place at 13°C to ensure a fruity wine that will linger in your memory.
