

Warwick The First Lady 2009

The wine has a deep and intense ruby red colour. The nose reveals lots of red berries and sweet black currents, complemented by sweet vanilla and chocolate oak background and pleasant herbal undertones. The smooth, ripe, round tannins make this wine easy to drink while still retaining a full body. The balanced acid creates a firm finish that is complemented by a lingering sweetness.

variety : Cabernet Sauvignon | 97% Cabernet Sauvignon, 3% Petit Verdot

winery : Warwick Wine Estate

winemaker : Mike Ratcliff

wine of origin :

analysis : **alc** : . % vol **rs** : . g/l **pH** : .

type : Red **style** : Dry

pack : Bottle **size** : 0 **closure** : Cork

ageing : Although accessible now this wine will improve with careful cellaring over the next 3 years.

in the cellar : Both components were aged for 15 months in second and third fill barrels after completing malolactic fermentation in tank. The wine was racked 3 times during barrel aging before applying a light fining and bottling the wine unfiltered.
