

Rudera Syrah 2009

Deep, intense ruby with a violet rim. Savoury black olive with hints of pepper and spice. Red fruit on the nose. Seductively smokey but elegant with soft tannins and wet forest floor flavours culminating in a lingering aftertaste.

- *The Platter's South African Wines Guide 2012* rated the Syrah 2009 vintage **** stars.

ageing :

Drinking exceptionally well now and will reward two to six years in bottle.

in the vineyard :

Grapes were sourced from Walker Bay valley. The valley's dry climate ensures that the grapes achieve a lovely fruity intensity. The mixture of Kouebokkeveld shale and Table Mountain sandstone gives the wines their rich, fruity body.

about the harvest:

Handpicked grapes were brought in late in February at 24,6° B. The pH was 3.2 with a titratable acid of 7,4 g/l.

in the cellar :

Sorting was done in the vineyard, followed by bunch selection in the cellar before crush. Total production was 6,4 tons per hectare (43hl/ha).
