

Creation Chardonnay 2010

Straw yellow in colour with attractive glints of green. On the nose glorious layers of sun-kissed pear and peach are enhanced by fresh minerality and hint of piquant vanilla. The full-bodied palate is in perfect harmony; generously fruity and subtly spicy with, well-judged acidity contributing excellent balance and a lively, lingering aftertaste.

Enjoy with flavourful chicken and seafood dishes

variety : Chardonnay | 100% Chardonnay

winery : Creation Wines

winemaker : JC Martin and Christoph Kaser

wine of origin : Walker Bay

analysis :

type : White

pack : Bottle **closure :** Cork
