- WINE Magazine - 4 Stars

ageing : The Bush Vine Sauvignon Blanc also has potential to improve with maturation for up to 3 years.

in the vineyard : The highly rated Villiera Bush Vine Sauvignon Blanc is a single vineyard wine made exclusively from older, low yielding untrellised vines. This form of training results in a different style of Sauvignon Blanc. The denser canopy provides more shade on the bunches resulting in grassier, herbaceous flavours and the limited yield ensures greater intensity.
