in the vineyard : Fairview presents the amazing tastes, sights and sounds of the La Capra festival. Each glass will transport you to a magical place where the wine flows freely, laughter fills the air and you dance until the sunrise.

Grapes were sourced from a selection of younger and older vines on the Fairview farm in Paarl.

in the cellar : This wine is mainly fermented in stainless steel tanks, with a small portion of barrel fermented wine added for complexity. After blending, the wine was fined, filtered and bottled.
