in the vineyard : Fairview presents the amazing tastes, sights and sounds of the La Capra festival. Each glass will transport you to a magical place where the wine flows freely, laughter fills the air and you dance until the sunrise.

Grapes for the 2011 vintage were sourced predominantly from our cool coastal vineyards in Darling, with additional fruit from warmer vineyards on the slopes of the Paarl Mountain.

in the cellar : The grapes are destemmed, crushed and cold fermented in stainless steel tanks. After three months of post fermentation lees contact the wine was filtered and bottled.
