

Ken Forrester Sauvignon Blanc 2011

This wine shows lovely complexity with mix of tangy grassy notes, fig leaf, and peach and nectarine nuances. Brisk acidity with minerality on the palate which is typical of the long hang time in our cool region.

Very good while preparing a meal on the patio. Ideal with fish, chicken and pasta and friends.

variety : Sauvignon Blanc | 100% Sauvignon Blanc

winery : Ken Forrester Wines

Ken Forrester Sauvignon Blanc 2011

- Platter 2012 - 3 ½ stars

Ken Forrester Sauvignon Blanc 2010

- Wine Spectator - 87 Points
- Robert Parker Rating August 2011 - 87 points

in the vineyard : Region: Stellenbosch

Soil: Duplex soils, fine sandy loam on a clay base

Yield: 8 tons/ha, trellised vineyards

Aspect: South / South West

about the harvest: Grapes are hand picked over a progressive ripening curve to capture the natural acidity and show the riper, tropical fruit flavour of Sauvignon Blanc with typical freshness and balance.

in the cellar : After crushing, pumped through mash-cooler straight to press for draining. Free-run juice settled and fermented separately from pressings. Extended lees contact after fermentation for about 8 weeks to increase "creamy" character. Juice/wine handled reductively throughout process.
