

## Waverley Hills Cabernet Sauvignon 2011

---

### NO ADDED SULPHITES

This organic wine has a ruby edge with a bright red centre. On the nose, vanilla, red berries, spices, honey and spring flowers come through strongly. This wine is forward on the nose and complex for its vintage. On the palate, delicious vanilla and lots of fruit follow through with good balance and soft ripe tannins.

This wine is vegan-friendly as no animal by-products were used in the production.
