

Muratie Ansela van de Caab 2008

On the nose you get a lot of concentrated fruit flavours ranging from dark fruit to lighter red fruit. The palette is very concentrated with an abundance of flavours varying from intense fruit flavours to cigar box nuances. The flavours and tannins are meticulously woven together to form a totally balanced wine that lingers on in your mouth long after the last drop is savoured.

This wine, with its velvety tannins will go great with red meat or any savoury dishes.

in the vineyard : Ansela van de Caab is an excellent reflection of the huge influence that great terroir plays in producing red wines that have the potential to age and mature gracefully.

about the harvest: The varietals for our Ansela were all hand harvested and sorted.

in the cellar : Grapes were crushed, destalked and fermented in classic open fermenters. Malolactic fermentation is done in French Oak barrels.

After 18 months of barrel maturation, the varietals are individually tasted and selected for the Ansela blend. This blend is re-introduced into French Oak for a further 4 months to ensure that a good marriage takes place between the varietals.
