wine of origin : Bot River

analysis : alc : 12.0 % vol rs : 9.9 g/l pH : 3.73 ta : 5.2 g/l

type : Rose

pack : Bottle **closure :** Cork

about the harvest: Grapes were harvested in the early cool morning.

in the cellar : After early morning harvest cool grapes are brought into the cellar and then undergo cold maceration for 3 to 4 days to extract soft tannins and ripe fruit flavours before allowing fermentation to begin. Throughout vinification, handling was kept to a minimum to ensure that true fruit flavours were retained.
