about the harvest: Harvesting took place from the end of February 2009 to the last week of March 2009.

in the cellar : Fermented in closed and open fermenters with regular pump overs and punch downs to ensure optimum fruit and soft extraction. A portion of the blend was matured in 4th fill French and American oak barrels for 6 - 10 months with the rest of the blend kept unoaked for upfront berry fruit flavours and freshness.
