in the vineyard : Spectacular panoramic views of Stellenbosch and Cape Town, cool hillside vineyards planted to classic varieties, and a modern family-run winery have combined to produce distinctive wines displaying the ripe concentrated fruity accessibility of the New World, with the complex elegance of classic wine. The Philosophy behind the Sophia was to produce a benchmark red blend, classic yet with a new world twist to rival some of the best of Bordeaux.

A blend of the best "Cobblers Hill" barrels and a reserve Cabernet Sauvignon, this wine has been named "Sophia" after the legendary mother of Faith, Hope and Charity. Representing the characteristics of the three Bordeaux varieties that makes up this exceptional wine, the Cabernet Sauvignon, Cabernet Franc and Merlot grapes were harvested from the hillside

Vineyards at Jordan with views overlooking Table Mountain and False Bay. Fermented at 28°C with three pump-overs daily over the fermenting cap. After pressing, the wine was racked to barrel where it completed malolactic fermentation. The wine spent a total of 26 months in 225-litre French oak barrels to integrate the rich tannins and add complexity.
