

## De Krans Touriga Nacional 2010

The wine has a vibrant deep plum colour, with dense aromas of chocolate, spice, pepper, a touch of vanilla and prunes. It has a fleshy, chewy mouthful of flavours. The firm tannin structure, together with the concentrated fruit, ensures excellent maturation potential. This wine, which is the flagship dry red wine from De Krans, is bottled in an elegant bottle, with the label screen-printed directly on the bottle.

**variety :** Touriga Nacional | 100% Touriga Nacional

Veritas Silver Medal 2008 (2006 vintage)

**in the vineyard :** Boets and Stroebel Nel of De Krans Wine Cellar in Calitzdorp have released the first single-variety Touriga Nacional dry red wine in South Africa in 2000. This 2009 vintage is the 10th wine from this variety from De Krans.

Touriga Nacional as grape variety is already well-known as one of the most important building blocks in the great port-wines of the world. After a visit to the Douro valley of Portugal and tasting wines made from Touriga Nacional, the Nel brothers were convinced that a top quality red wine could be produced from this variety at De Krans.

### Viticulture

Very low yields from 15 year old vines planted on poor clay soil.

**in the cellar :** This Touriga Nacional 2010 was made from fully ripe grapes. After malolactic fermentation, it was wooded for 6 months prior to bottling.
