in the vineyard : The Viognier vines used for this opulent wine are planted in a north-south row direction in Oakleaf soils. This enables maximum sunlight exposure for the bunches. Each bunch stalk was nipped to encourage dehydration of berries and concentration of flavour while still on the vine.

A yield of 4 tons per hectare was produced.

about the harvest:
- Grapes were handpicked on 24 February 2010.
- Bunches were picked at full ripeness.

Analysis

Sugar	32.2° B
Acid	5.0g/l
pH	3.90

in the cellar :
- Whole bunches were pressed using dried ice to preserve all flavour. Juice was settled for 48 hours at 10° C.
- A sweet wine commercial yeast strain was inoculated and fermented for 32 days.
- The fermentation was arrested, then lightly fined and filtered for clarity prior to bottling.
