

Villiera Chenin Blanc 2013

The wine has intense fruit and honey with a hint of wood spice on the nose, including pineapple, guava and citrus. On the palate it is rich and full bodied with good balance and a long finish.

pack : Bottle **size** : 750ml **closure** : Cork

2012 Veritas Awards - Silver Medal

ageing : The wine has the structure to last for 5 years but Chenin Blanc can also be enjoyed young.

Chenin Blanc is South Africa's most planted variety. It is versatile in terms of style and food accompaniments. It covers various price points and it has become one of SA's unique selling propositions. Our regular Chenin Blanc is well priced and is regarded as one of SA's best value wines.

in the vineyard : The fruit comes from 3 blocks including 40 % old bush vines.

about the harvest : The grapes are picked mid season by hand at optimum ripeness. Some sorting is required to control the level of botrytis. About 3 % is considered desirable.

in the cellar : After crushing and destalking, about 4 hours of skin contact is allowed before gently pressing. After overnight settling the clear juice is cold fermented with aromatic yeasts. Thirty percent of the wine was fermented in oak but removed immediately after fermentation. The blend remains "sur lie" for 2 months prior to stabilization and bottling.
