

Protea Cabernet Sauvignon 2010

Cassis and blackcurrant aromas with light floral and herbal nuances. Elegant and genteel in a toned, restrained way the wine is full of cassis, cocoa and tobacco leaf with a dry cranberry element. The grip is firm but gentle and the tannins are ripe and silky, reminiscent of a ballroom dancer in smooth flow. Soft textured but structured, the oak is deftly handled and adds to its length on the palate.

in the cellar : Double hand sorting ensures the perfect grape berries go into the making of this wine. Grapes are transferred by gravity into 10 000L French oak tanks. Cold maceration for 2 - 4 days. Thereafter during fermentation the wine/juice is 'poured' over the cap by means of satellite tanks and gravity. Maturation in 225L French oak 2nd and 3rd fill for about 12 months.
