

Edgebaston G.S. Cabernet Sauvignon 2008

This Wine is made from one clone of Cabernet Sauvignon planted on Edgebaston. The wine displays Cabernet Sauvignon cassis and blackcurrent fruit on the nose as well as having a fresh minty, herbaceousness backed by mocca vanilla. A broad midpalate and long lasting flavours of Boysenberry and hints of sweet Mulberry follow through to join with the fresh Vanilla and Nutmeg spice on the finish.
