

Brampton Sauvignon Blanc 2011

The Primary aromas in this wine are passion fruit, lychee and a hint of freshly cut grass. The palate delivers exceptionally fine balance and a delicate fruit core that carries right through to the fresh finish.

Brilliant for social drinking or with anything from fresh summer salads to pan-fried line fish and savoury Mediterranean pastas.

about the harvest: All grapes were hand-picked in the morning to ensure that the grapes arrive before the heat of the day diminishes the fruit aromas.

Harvested: February 2011 - March 2011

in the cellar : Only the free-run juice was used further ensuring freshness and bright fruitiness. The clean juice is then cold-fermented (12 - 14°C) with different yeast strains for different terroir parcels. After fermentation the wines are left on the gross lees for a further two months to add richness and fullness to the wine.
