

Green Shebeen Organic Merlot 2010

Greet the delicate lady with the heart of gold, a beautifully layered wine exploding with fruity flavours. Green Shebeen Merlot is grown on a south- easterly slope in the middle of the estate where the delicate grapes are protected from the hot midday sun. The result is a wine as smooth as the best old-school jazz, yet filled with naughty afterthoughts of warm butterscotch and wood. Yum!

variety : Merlot | 100% Merlot

winery :

winemaker : Gilmar Boshoff

wine of origin : Swartland

analysis :

type : Red

pack : Bottle **closure :** Screwcap
