

Golden Kaan Chardonnay 2011

This fresh wine explodes with tropical fruit, sweet melon and peach aromas, with subtle cashew on the nose. The wine is elegant, bursting with fresh, juicy fruit on the creamy palate and has a velvety, nutty finish

Enjoy on its own or with light, informal meals.

in the vineyard : About The Area

South Africa's vineyards are mostly situated in the Western Cape near the coast. This is the southernmost region of the African continent, and has a Mediterranean type climate and diverse soils perfectly suited to quality grape production.

Vintage Conditions

The 2011 harvest in the Western Cape was warmer and drier than normal, resulting in lower yields, smaller bunches and consequently riper flavours. These seasonal conditions produced sound fully ripe and healthy grapes, with the resultant wines being rich, soft and generous in flavour.

about the harvest: Harvest Date: February

in the cellar : Maturation: 40% wooded component

Total production: 95 000l
