in the vineyard : The ultimate expression of Jordan terroir. The Nine Yards Chardonnay is made in a Reserve Style, from a barrel selection from our best vineyard site. Stylistically different to our Jordan Chardonnay, with this wine we went "The Whole Nine Yards"!

Situated between 250 - 280m above sea level, this 23 year old, site-specific vineyard is planted to both Burgundian and Davis clone Chardonnay. East-facing Hutton and Glenrosa soils, innovative canopy management and low crop levels ensure that the vineyard produces smaller berries with concentrated citrus flavours.

about the harvest: The grapes were harvested on the 2nd March 2012 at 23.1° B.

in the cellar : Crushed and pressed immediately after de-stemming, the juice was barrel-fermented in traditional 228-litre French oak barrels (92% new and 8% second fill) from selected Burgundian cooperages (Damy, Chassin and Rousseau). The barrels were inoculated with a selection of French yeast. A percentage of the wine went through natural fermentation. Differing stylistically from the varietal Jordan Chardonnay, the wine was matured "sur lie" for 13 months, with regular barrel-rolling to accentuate the rich, leesy character.
