**ageing :** This wine can be enjoyed now or cellared for up to 3 years from vintage.

**in the vineyard :** Inspiration: Our Town Hall was built in 1935 in the popular gabled Cape Dutch revival style. Much like the character of our CHARDONNAY, this historical building follows seamless lines and gentle curves to preserve the natural heritage and architecture of the village, yet still expresses itself boldly.

Age of vines: Vineyards vary in age from 4 - 15 years.

Climate: A long cool ripening period produced great chardonnay with all the hallmarks of our typically elegant Franschoek Cellar style with good varietal character and fine acidity.

Soils: The vineyards are planted on soil types that allow for the optimum vine growth balance.

Trellis: Trellised

**about the harvest:** Grapes were harvested by hand in January and February at an average ripeness of 24° Balling.

Yield: Between 4 and 10 tons per hectare.

**in the cellar :** The grapes were cold fermented in stainless steel and left completely unwooded to amplify the inherent varietal fruit purity on the nose and palate. Extended contact with the fine lees and monthly stirring added richness and dimension.
