

Raka Figurehead 2009

John Platter Wine Guide 2015 - 4 Stars

ageing : Ready to drink now or in the next 7 years.

about the harvest: All grapes were hand picked and sorted before a pure yeast culture was inoculated.

in the cellar : The juice was pumped over the skins 3 - 5 times per day for 5 days and the cake punched down. Once fermentation was complete, the wine was drained off the primary lees and transferred to a resting tank. Malolactic fermentation and a brief settling period preceded the wine to a combination of 225 litre barrels of French oak types. The wine spent between 12 - 14 months in barrel before blending, bottling and labeling.
