

## TenFiftySix Maestro 2000

A light and breezy blend. Pale straw yellow colour introduces the wine. Fruity salad nose with tropical fruit, a touch of citrus. Clean and fresh. The apparent sweetness on entry is quickly displaced by the brisk acid, which livens up the palate. Hereâ€™s an undemanding wine of which one could drink copious glasses during summer!

Serve with pastas, salads, chicken, fish.

**variety :** Semillon | 80% Semillon, 20% Sauvignon Blanc

**winery :**

**winemaker :** Gerda Willers

**wine of origin :** Franschhoek
