in the vineyard : Climate

Terroir-driven wines selected from vineyards ranging from Mediterranean climates in Stellenbosch (rainfall ± 600mm per annum) to more arid coastal regions (rainfall + 200mm per annum). Drip irrigation used in drier areas to optimally control vineyard produce.

Soil

A diverse composition of soil and topography add complexity and an array of different characteristics to the wine.

in the cellar : This wine is blended with young wine to enhance the fresh fruit flavours very evident in this wine. Aged for 9 months in American and French oak barrels.
