**in the vineyard** : Signal Gun, a family run winery, is situated in the Durbanville region. As the shot of the Signal Gun echoes through the vineyards of our picturesque farm it signals the start of a new generation of wine making. We pride ourselves in making small quantities of fine wine from our carefully selected grapes.

Be assured that the tasteful memories of our wines will keep on echoing.

**about the harvest**: A dry winter with cold and windy conditions resulted in a lower yield. Picked at various degrees of ripeness (green & riper) and was picked from 3 different blocks. These vineyards are 260m above sea level.

**in the cellar** : Underwent less leas contact before bottling and used different styles of yeast for each batch/block.
