

## Pale Moon Apple Wine

---

A naturally fermented Apple wine with the depth and complexity expected from fine grape wines.

Light and refreshing. Enjoy under a Pale Moon or a raging Sun.

---

**variety :** | Apple wine

**winery :**

**winemaker :** Heinz Wielert

**wine of origin :** Western Cape

**analysis :** alc : 10.0 % vol   rs : 12 g/l   pH : 3,8   ta : 6 g/l

---

**ageing :** Best served now or within the year. Low preservative levels limit the shelf life to 1 year.

**in the cellar :** The world's leading Apple wine, Pale Moon is a crisp, dry, light and refreshing wine, created using only pure Apple juice from Cape's famous orchards.
