**ageing :** A wine to be enjoyed within 2 - 3 years.

**in the vineyard :** The grapes for this wine are from vineyards predominantly facing in a South Westerly direction. These slopes overlook False Bay, Cape Point and Table Mountain and enjoy the benefit of the cooling sea breeze, whilst getting good sunlight exposure to ensure optimal fruit ripeness.

**in the cellar :** 85% Sauvignon Blanc & 15% Chenin Blanc

Both the Sauvignon Blanc and Chenin Blanc grapes were fermented in stainless steel tanks at cool temperatures to enhance tropical fruit ester production. Each component was stirred on its gross lees on a weekly basis for the first four months after which it was racked, blended and stabilised.
