Palate: Good balance of fruit and acidity on the mid-palate with a moderate alcohol giving some length.

about the harvest: The grapes were harvested by hand earlier this year into small 20kg cases. The grapes were then transported in the cool of the morning to the Hoopenburg cellar.

in the cellar : The grapes were transported in the cool of the morning to the Hoopenburg cellar. Here they were hand tipped into the press for a long three hour whole bunch pressing session. After this the juice was cold fermented for 3 weeks in stainless steel tanks. Once dry the wine was racked off its ferment lees and aged for a 6 months before being bottled.
