

Monterosso Old Bush Vines Chenin Blanc 2013

Bright, pale gold. Very attractive nose packed with ripe, tropical fruits with guava, passion fruit and hint of citrus. Light floral notes in the background. Brisk, lively entry into the mouth with flavours along the line as advertised on the nose. Fresh, clean with good mouth feel and crisp acidic liveliness. Delightful, well fruited wine. Very versatile with wide range of uses.

Drink on its own or with light foods.
