

KWV Classic Collection Chenin Blanc 2013

This wine is a great example of modern-styled, South African Chenin Blanc, which shows true elegance. The wine displays upfront tropical fruit and floral characters with subtle orange blossom and a touch of lime. The palate is refreshing, soft and finely structured with a zesty and lingering finish.

Enjoy on its own or with a variety of salads, sushi, sea food and white meats. Chenin Blanc is best enjoyed when it is chilled.

in the vineyard : A cool, wet winter ensured even budding and replenished soil moisture. Cooler springtime temperatures resulted in reduced vigour and higher quality. This pace persisted through early summer, which was warm and dry followed by some rain later in the season, and contributed to a longer ripening period with low disease manifestation. Overall, the season delivered fruit with great structure, concentration and flavour.
