The Private Bin label is reserved for specialist, vineyard-selected, limited-edition wines that are hand-made and while classically styled, exhibit prominent fruit flavours. These wines are sold exclusively on the annual by-invitation-only Nederburg Auction.

in the cellar : The fruit was hand-sorted at the cellar before being soaked in a press and having yeast added to start fermentation on the skins. As the fermentation started, the juice was pressed out and fermentation of the juice continued in stainless steel tanks. Fermentation was stopped once the desired alcohol/sugar balance had been reached.
