

Cape Wine Cellars Chardonnay

Bright and clear, a light straw colour with a tint of yellow. Citrus flavours well integrated with oak aromas. Complex and dry, with creamy oak, and a lingering aftertaste.

variety : Chardonnay | Chardonnay

winery : Kleinbosch

winemaker : Jeff Wedgwood & Team

wine of origin :

analysis : alc : 12.0 % vol rs : 1.5 g/l pH : 3.48 ta : 5.9 g/l

type : White

ageing : Optimum within 2 years of the declared vintage. The wine will soften and acquire buttery flavours with bottle maturation.

in the cellar : Chardonnay is made from juice extracted in bag presses with minimum pressure, in order to maximise purity. The juice is allowed to ferment dry under temperature controlled conditions, and is left on the lees until the wine is prepared for bottling, to extract maximum flavour. Having been oak matured, the result is a well balanced wine with complexity.
