in the vineyard :

Grapes selected from 39 year old Chenin blanc vineyards, planted on Alluvial soils. Very low yielding vineyards produce these concentrated bunches.

about the harvest:

Grapes were picked at 34° Balling to give this wine its natural sweetness and full body. All grapes used to make this wine were hand harvested by hand in the early hours of the morning.

in the cellar :

The fermentation process lasted 23 days at 14°C in the 225 litre casks consisting of 25% new fill and the remaining in 2nd, 3rd and 4th fill barrels. This wine was fermented and aged for 12 months in small French oak barrels.
