

Simonsig Chardonnay 2011

Bright straw colour. On the nose the wine shows intense ripe yellow apple aromas with hints of citrus and seductive spice. The palate is filled with delicate citrus and lemon flavours, characteristic of Chardonnay with roasted macadamia nuts and spice undertones. The full body weight is beautifully balanced by the acidity, adding finesse and a mineral touch. Made in a traditional style, this Chardonnay has all the attributes to develop beautifully with further ageing.

Ideal with most seafoods such as fresh wild oysters, creamy crayfish pasta, fish carpaccio, fish curry or shellfish salad. Alternatively rich cheese like ripe camembert, Pont le Eveque or Reblochon can be served with this wine. Serve between 14° -and 16°C.

variety : Chardonnay | 100% Chardonnay

winery : Simonsig Family Vineyards

winemaker : Johan Malan

wine of origin : Stellenbosch

analysis : alc : 13.28 % vol rs : 3.7 g/l pH : 3.49 ta : 6.1 g/l

ageing : This wine can be enjoyed now and will reward patience with deeper complexity over three to five years from vintage.

in the vineyard : Background

As one of the first South African Chardonnay producers, Simonsig released their first Chardonnay vintage in 1978. With more than 30 years experience, Simonsig has accumulated expert knowledge to combine the finest terroir and the most suitable Chardonnay clones to create a classic quality wine. The deep red soils of Simonsig and the cool maritime climate of Stellenbosch are perfectly suited to fully express the nobility of Chardonnay.

Vintage Description

The 2011 harvest will go down in history as windy, very dry and slightly warmer than normal. The prolonged heat was not necessarily a negative as these conditions benefit certain varieties like Chardonnay. With healthy fruit and excellent concentration of flavours, the grapes were very promising from the start.

about the harvest: Grapes were harvested at optimum ripeness to ensure an exuberant flavour profile.

in the cellar : Style of Wine
Full Bodied French oak matured Chardonnay

Vinification

Only top quality, hand selected grapes are harvested at optimum ripeness according to their flavour profile. Following a more natural winemaking philosophy, 78% of the blend was left to ferment naturally. 22% of the final blend fermented naturally in new French oak barrels and 78% in 2nd fill French oak barrels. Wine in the new barrels underwent malolactic fermentation with regular battonage contributing to the complexity and diversity of the wine. The wine spent 11 months in barrel.
