

## Lanzerac Pinotage 2011

The 2011 Pinotage have an excellent deep colour, with ripe berries and plums on the nose and palate with a good mouth-feel and lingering aftertaste. With five to ten years' maturation it will start to acquire the velvet density and luxurious chocolate and caramel flavours of its very early Lanzerac predecessors.

The 2011 Pinotage is a full-bodied, complex wine with a beautiful fruit/wood balance and a good tannin structure that will allow it to age extremely well.

**about the harvest:** All harvesting is done by hand. Extreme care is taken not to damage grapes and only healthy grapes are picked.

Harvest date: February 2010.

**in the cellar :** After harvesting during February, the grapes were de-stalked, inoculated and fermented on the skins for 3 to 4 days. Pumpovers every four hours. The Pinotage was pressed before the wine fermented dry to ensure soft tannis. After fermentation French Oak barrels were filled where malolactic fermentation took place. After MLF the wine was racked and the wine sulphured.

Following three months of resting in wood, it was racked again before being returned to the cleaned out barrels for a further 12 months.
